HORNBERGER'S GLADIOLUS

SPECIAL FALL AND WINTER LIST
1931-1932

F. C. HORNBERGER

CLARK STREET HAMBURG, NEW YORK

RECEIVED
NOV 23 193
U. S. Department of Agriculture

Prices quoted here are for spring delivery. These prices cancel all former quotations. We dig late and like our stock well cured before shipping to our customers. We will accept orders for Fall delivery; shipments not to be made before November 15th.

OUR 1932 CATALOG

Will be issued later, perhaps after January 1, 1932. This fall list is somewhat condensed and will not contain all the new varieties that will be listed in our large Annual Catalog. Early in the season we can only make our prices in line with what other leading growers are charging. So this season, in addition to our regular discounts and our well known liberal custom of overcounting on all orders, we will issue to each customer who sends us an order A SPECIAL ADVERTISING DISCOUNT COUPON. This will be as good as cash, to be used at any time within 18 months from date of issue, and will be accepted the same as cash by us, to its full face value, for HORNBERGER'S ORIGINATIONS ONLY, of which there are now over fourteen, representing some of the very finest Gladiolus grown.

HOW OUR PLAN WORKS

We intend to conduct an extensive advertising campaign this season, and instead of spending thousand of dollars with publishers, we intend to give the bulk of this value direct to our customers. We know that our customers have given us our very best advertising in the past and we wish to prove our appreciation. So this season for every penny or dollar you send us in cash, we are going to give back to you a very liberal part of what you send us in the form of "OUR SPECIAL ADVERTISING DISCOUNT COUPON." Below is a sample coupon; do not cut this out. It is printed mainly to show you what the original looks like.

SPECIAL ADVERTISING DISCOUNT COUPON

Order No............ Date.........................193...

Value Due You.$........SAVE THIS COUPON. We acknowledge your valued favor dated....................193.... This coupon will be accepted in payment, to value given above, on any Hornberger Originations as listed below. Valid only when signed by us. Good Until, Date................193... Signed.............................

This coupon is entirely distinct and has no connection with our regular cash discounts, and our generous over count on all orders. You will get all of these the same as in other years, but in addition we will give you a very liberal "COUPON VALUE" as a part of our advertising fund. The coupons for this season will be accepted (only) for varieties originated by F. C. Hornberger, of which there are now over fourteen very outstanding and distinct "prize winners." Some of the leaders in their type or colors.

Please note that the value of the coupon will be largely influenced by the particular items you may chance to order. For example, assuming we have at hand two $10.00 orders, one of them consisting mainly of items that are very scarce or of items where the price is already at bed rock. The other consists mainly of items that we have in ample quanity, the results would be that the latter order would likely be given double the coupon value of the first order.

THIS COUPON WILL ALSO BE USED TO ADJUST PRICES

We will also use this same coupon to make price adjustments all through the selling season. As we are compelled to issue this list, so early in the season, we do not know at this early date how much others are likely to cut prices and in particular of our own list of originations, but with this "coupon" we will adjust all such price changes as they take place. This coupon will keep our prices right. You cannot lose by our methods.

SETS AND SPECIAL OFFERS; This coupon will also take care of all of these. You can order the items wanted knowing that you will get full value and then some. We can sell you high class stock as low as any other reliable grower, and intend to do so. Some growers fill half their catologs with such offers. Our "Coupons" will take care of all of this and we guarantee we will give you as large value and as fine well grown stock as any other can furnish you at any price. Make up your own "Sets" and get free coupon.

REGULAR DISCOUNTS FOR CASH IN FULL WITH ORDER

On orders of $5.00 to 15.00-10% in extra stock, your selection.
On orders of 15.00 to 40.00-15% in extra stock, your selection.
On orders of 40.00 to 100.00-20% in extra stock, your selection.

OUR BULB QUALITY THE FINEST EVER

We have had one of the best seasons in years. Bulbs all grown on new land and the quality and size are wonderful. Our cut flower production this season has surpassed all past records.

OUR SPECIAL FALL PRICES

This Fall and Winter List, while not our complete catalog, has been issued in answer to the great many requests that we receive for new 1932 prices. Our new Annual catalog will be issued early in January and will be a complete Guide with very much valuable information. The prices in this list cancel all other prices. We are sending out all the surplus of our old 1931 catalogs, as far as they go, to be used (only) for variety discription and other information. Disregard prices in old catalog if you do not receive one with this list. It will indicate that our supply is exhausted. We will quote bulblets per qt. or peck; ask for prices.

TERMS: Are cash or C. O. D. Or if you send us 20% of amount of order we will hold for spring delivery, cash before shipment. All orders from this list are prepaid, except orders for less then $1.00 on which there is a postage and packing charge of 25c extra. No single item sold for less then 20c. Please order enough of each size so all your items will total 20c or more. 25 bulbs or bulblets sold at the 100 rate price; pints and half pints at the quart rate price; 3 bulbs at the 10 rate price. For less then 25 bulbs at 100 rate price add ten per cent to price. For 1000 rate multiply the 100 rate by 9; 250 bulbs sold at 1000 rate prices. 3 or more bulbs at 100 rate price, plus 10%.
